UP CLOSE

Read the Data Plate

Every container carries this safety plate on the left door. Ask us for a photo of the plate on your exact unit.

2. Type code: size and height
3. Owner number: matches the doors
4. Timber treatment
5. Date manufactured
6. Max gross mass
7. Stacking load

Our guarantee: 90-day wind and watertight guarantee. Inspect your container when it arrives. Send us photos and video of any damage or leak within 10 days of delivery.

WHAT YOU ARE BUYING

WIND AND WATERTIGHT, POINT BY POINT

Every Wind and Watertight container passes the same five checks before we sell it. The grade means the box keeps wind and rain out. It shows its years of service in dents, patches and faded paint, and it is the most affordable way to secure storage on the ground.

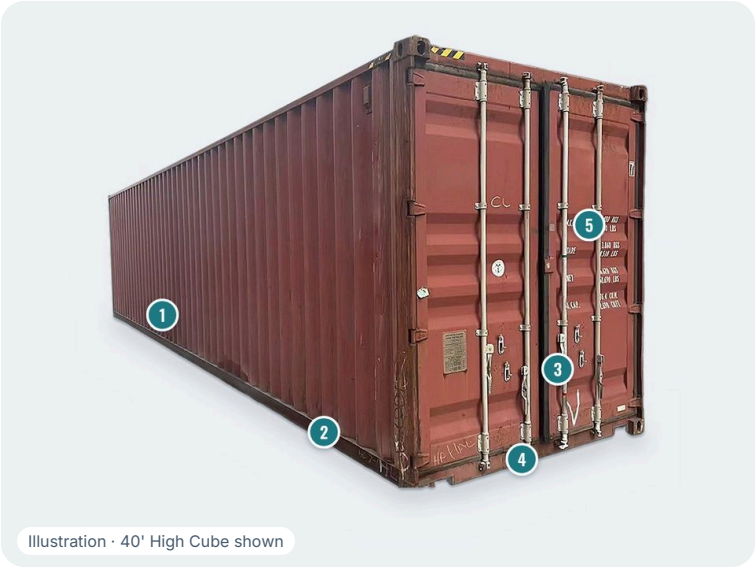

Illustration · 40' High Cube shown

1 Panels
Walls are checked for holes and leaks. Expect dents, patches and faded paint from years of service. Wind and rain stay out.

2 Rust
Surface rust is common at this grade. We check the rails, corners and roof to confirm rust has opened no holes.

3 Doors
Doors open, close and latch, and the gaskets keep water out. After years at sea they may take a little muscle.

4 Floor
The floor is solid underfoot with no holes. Stains, scuffs and patched boards are normal for the grade.

5 Markings
Numbers and plates may be faded or missing. A Wind and Watertight box is sold for storage on the ground rather than for shipping cargo.

Wind and Watertight in Both Lengths

20' Wind and Watertight

Budget storage in a compact footprint. Weathered outside, dry inside.

40' Wind and Watertight

The most storage per dollar. Weathered outside, dry inside, in Standard and High Cube heights.

Our Guarantee

90-day wind and watertight guarantee. Inspect your container when it arrives. Send us photos and video of any damage or leak within 10 days of delivery. If a leak appears later in the guarantee period, send photos and video as soon as you see it.

This sheet covers the 40' unit. Photos show typical examples of the grade, not the unit reserved for you. Ask us for photos of your exact container before delivery.
